✂ Beginner to Advanced Level Class

## Class Supply List

- **Sewing machine in good working condition.** You will want as much “table” or “extension” surface as possible to support your project, so bring your slide on sewing table or Sew Steady table if you have one for your machine.
- **Kit (required):** there are different designs / prints to choose from. Each kit contains everything you need for this project EXCEPT FOR the batting and thread. The finished size of the rug is 33” x 51” so you will need a piece of batting that is slightly larger than that (at least 36” x 54”). For the store sample, Melody used scrap pieces of batting that she fused together using a strip of fusible stabilizer, so this is a great way to use up your batting scraps!
- **Thread\*:** to quilt your floor canvas. Isacord or Glide are great choices for the applique and quilting.
- **BSR (BERNINA Stitch Regulator), Walking Foot or your favorite free-motion quilting foot:** if you plan to quilt straight lines, bring your walking foot. If you plan to free motion quilt, bring your BSR or favorite free motion quilting foot.
- **Basic sewing and embroidery supplies:\*** scissors, pins, sewing machine needles, seam ripper, tape measure, quilting gloves or gripper hoops for more traction, extra bobbins, etc.—your favorite sewing and quilting supplies

Items marked with an asterisk (\*) are regularly available in our store. If there is something we are out of or don't normally stock but that you need for this class, please ask us—we are happy to do a special order for you! Please remember special orders can take some time so let us know well in advance of class day. Please mark or tag all your tools with your name so that if they are left at the store after class we can return them to you!
