

# Poppies and Petals

Thursday, April 10, 2025 1pm—4pm

## Intermediate Level Embroidery Class

### Class Supply List

**Pre-class Prep Work:** Before class day, please PRINT OUT the PDF file that is on the USB stick with the embroidery designs. This PDF file contains the thread color charts, applique patterns and instructions. You will want to have those next to you during class. Please fuse the Wonder Under to the back of your fabric according to the instructions that come with the Wonder Under fusible web, and then cut out your applique pieces from your fabric and label each one so that you can keep them organized—the instructions are very specific for this process, please make sure you read and understand them and ask us BEFORE CLASS DAY if you have questions—we are happy to help you!

- **Sewing machine in good working condition** (please bring your own machine to class—we do not have embroidery machines for classroom use). If you do not have a BERNINA you can still join us for class—these designs are multi-format and will work with most embroidery machines—however, you must be familiar with how your embroidery machine works.
- **Embroidery foot, hoops and needles** (see pattern for hoop size requirements). If you have a BERNINA, you will need the Maxi or Jumbo hoop for this project.
- **Poppies and Petals\*** embroidery design USB by Kimberbell (each student is required to bring their own copy to class)
- **Polymesh Stabilizer\***
- **Wonder Under by Pellon:\*** according to supply list in PDF file located on the USB stick (I recommend this fusible web instead of what they have on the supply list because it works much better for this application and is not as sticky as others)
- **Trimmer by George ruler:\*** This multi-purpose tool is perfect for trimming any quilt-as-you-go blocks. This acrylic ruler has a sturdy crimped aluminum edge which is used to protect the quilt block front while trimming the bulk underneath.
- **Fabric for blocks and flowers:\*** according to supply list in PDF file located on the USB stick
- **Backing fabric:\*** approximately 15" x 27"
- **Embroidery thread\*:** to match requirements on color charts for each design, located in the PDF file on the USB stick
- **Thread\*:** to piece squares together after embroidering them—MonoPoly Invisible Thread from Superior Threads
- **Thread\*:** VanishLite water soluble thread from Superior Threads
- **Patchwork piecing foot / 1/4" piecing foot\*:** if you have a BERNINA, the #37, #37D, #57, #57D, #97 or #97D foot
- **Basic sewing and embroidery supplies:\*** scissors, thread snips, pins, sewing machine needles, seam ripper, tape measure, extra bobbins, etc.—your favorite sewing and embroidery supplies

Items marked with an asterisk (\*) are regularly available in our store(s). If there is something we are out of or don't normally stock but that you need for this class, please ask us—we are happy to do a special order for you! Please remember special orders can take some time so let us know well in advance of class day. Please mark or tag all your tools with your name so that if they are left at the store after class we can return them to you!

**Remember, you receive a 10% discount on anything purchased for this class at The Presser Foot!** Just let us know when you are ready complete your purchase that you are registered for class and we will apply your discount.
