✂ Beginner Level Class

Class Supply List

- **Sewing machine in good working condition.** Please bring your own sewing machine to this class—if you purchased a BERNINA from The Presser Foot, you should take your Care and Feeding guide class before taking this class so that you know the basics of threading and using your sewing machine. If you do not have a BERNINA, please bring your sewing machine and all the things you need to sew with it (power cord, foot control, etc) and your user manual. You must be familiar with how to thread and use your sewing machine, and your machine must be in good working order. There will not be time in class to troubleshoot sewing machine problems.
- **Standard sewing / zig zag foot*:** if you have a BERNINA, the #1, #1C or #1D foot
- **Thread** (required): one spool of Mettler Metrosene (polyester) or cotton thread in a neutral color to blend with your fabric choice—this is for the seams on the pillowcase, the thread will not show on the finished pillowcase
- **Basic sewing supplies*:** fabric shears or a rotary cutter and ruler, pins or clips (such as Wonder Clips), sewing machine needles, seam ripper, extra bobbins, thread snips, etc.—your favorite sewing supplies
- **Fabric*:** bolts will be arranged in class to choose from with directional and non-directional printed fabric. This will be discussed at the beginning of class and you will have some time to purchase your fabric then so that you understand the difference between directional and non-directional printed fabric and why it matters on a project like the pillowcase.
